

November 29,2022

Good morning IS201! I'm Zain from class 731 speaking to you again on this Talk A lot Tuesday, on behalf of the SEAL Team.

We all know that the American Thanksgiving holiday is observed on the fourth Thursday in November, but did you know that the Tuesday immediately after Thanksgiving is recognized as National Day of Giving?

In order to start the "giving season" and to serve as a reminder that the holidays are about more than simply materialism and shopping, the National Day of Giving was created.

The National Day of Giving is a day to promote charitable giving. Charities bring people together so they can change the world. Additionally, charity is significant because it promotes public awareness of problems and encourages people to take action.

"No one has ever become poor from giving," Anne Frank once said. So let us all do our part to help the less fortunate and make the world a better place.

And of course, now let's recite the SEAL Team pledge together.

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile

Thank you for listening and have a Think of Others Tuesday 😊
