Good morning IS 201. I am Elly from class 751 and I'm here today to honor a great teacher who passed away recently. Ms. Moshkovich was a wonderful teacher who worked in the science department. Our deepest condolences and sympathies go out to the Moshkovich family and the entire school.

More than just a teacher, Ms. Moshkovich was a person. She was a wonderful role model who we can all aspire to be like. She gave her all to her roles as a mother, a daughter, and a teacher. Her generosity, devotion, and excitement will live on in our memories forever. Ms. Moshkovich was a teacher who had faith in her pupils and expected them to give every class their all. Her smile brought sunshine to those around her and her kindness warmed everyone's heart.

Now, I ask for all of you to please take a moment and pause to honor our beloved Ms. Moshkovich.

—————One minute of silence—————

Thank you all very much for listening and following along. Gone from sight but not from our hearts. I'm sure Ms. Moshkovich misses us just as much as we miss her. Her spirit will forever be in our hearts, and all those wonderful memories will forever be cherished.
