Good morning! It's Sophia from 731 and I'm here this Words of Wisdom Wednesday on behalf of the S.E.A.L Team.

Today is a big day because you are starting your Session 2 Math State Test. We believe in you and know you've prepared well for this challenge.

As you enter the testing room, keep in mind the wise words of Nelson Mandela: "It always seems impossible until it's done." It's important to keep in mind that success often depends more on trying your best than on getting everything right.

Here is some advice to help you excel on your test:

1. Read the instructions carefully and make sure you understand what is being asked of you.
2. Use your time wisely and pace yourself throughout the test.
3. Show your work and write neatly to avoid mistakes.
4. Don't get stuck on difficult questions, move on and come back to them if you have time.
5. Believe in yourself and stay positive, you got this!

Thanks for listening have a Work Hard and Aim High Wednesday 😊
